

BOTTLE *Drive*

Curbside Pickup

Parks and Recreation Advisory Committee - Fundraising

In an effort to raise funds for Park improvements, we will be starting a monthly curb side pickup for bottles, cans and juice boxes.

The first Saturday of every month, someone will come by to pick up any of the bottle and cans that you leave at the end of your driveway. Then we'll sort them and take them to Sarcan for refunds.

If you forget to leave out your items, you can drop your bottles, cans and juice boxes in the old bus shelter inside the Village storage compound (at the top of the hill by the pump house). Any items left in the bus shelter will also be collected and taken to Sarcan for refunds.

When: 1st Saturday of every month, starting July 5, 2014

Where: At the end of your driveway

Time: Bottles, cans and juice boxes should be out by 8:00 am

Other: If you or your children are interested in volunteering for the pickup and sorting, please contact Nathalie Baudais:
306-986-9175
nathalie_baudais@mac.com

Proceeds will go towards Park Improvements
