

Summer 2020

**A Message from the Office
and your Council**

WE ARE STEWARDS OF CROWN LAND SURROUNDING OUR COMMUNITY

COUNCIL HOPES TO CONTINUE WITH PLANS TO DEVELOP WALKING TRAILS AND REST STATIONS ON THE CROWN PUBLIC RESERVE PROPERTY BEHIND AND TO THE SOUTH OF THE SUMMERFELDT RESIDENCES. OTHER IDEAS THAT MIGHT BE ALLOWED ON THIS LEASED PROPERTY ARE ALSO UNDER REVIEW.

COUNCIL IS CONSIDERING BEST USES FOR THIS PROPERTY BUT ALL THESE MUST SATISFY THE CONDITIONS WITHIN THE LEASE WITH THE PROVINCE.

In 2014, the Municipality of the Resort Village of Thode entered into a lease with Saskatchewan Ministry of Environment on the parcels behind and south of the Village to be preserved as green space and for public improvements and amenities. Several uses may be permitted on the condition that the property is available for public enjoyment and not private use. This agreement does not provide for the storage of personal belongings, fishing huts or garden sheds and the parking of vehicles, boats or any watercraft, recreational vehicles, quads or snowmobiles is not allowed on this Provincial Crown Land.

We are once again attempting to clear all debris and items from the entire reserve lands behind Summerfeldt and south of the Thode residential development so the area can be mowed. If you have items located on these leased parcels please relocate them to your own property or they will be disposed of. All items on municipal land should be removed by the 27th of July to avoid being mistaken for abandoned items and then disposed of. If an item is tagged by Operations staff and it belongs to you, please remove it and call the Operations Manager, Fred Fehr 306-492-7922 to advise that it is being moved before the 27th. Thank you in advance.

If you are parking on the green space behind your property or storing any property including recreational or seasonal vehicles , your cooperation in discontinuing this practice is appreciated.
